- Meet – ndx-bxr-jdk
- Recently Viewed | Managements

The main content area displays the Salesforce Lightning interface for the 'Managements' object. The top navigation bar includes links for Service, Home, Chatter, Accounts, Contacts, Cases, Reports, Dashboards, Colleges, departments, Managements (which is currently selected and highlighted in blue), and More.

The 'Managements' tab is active, showing the 'Recently Viewed' section. A message indicates "0 items • Updated a few seconds ago". Below this, there is a search bar labeled "Search..." and a table header with a checkbox and the column title "Management Name".

In the bottom right corner of the main content area, there is a status bar with the text "javascript:void(0);".

The right side of the screen features a vertical sidebar with various icons, likely for quick access to other parts of the application or system.
